Eligibility and Effective Date Provisions

Eligible Employee

If you are working on a full-time basis for the employer, you are eligible for insurance after completion of the required waiting period, provided you are in a class of employees who are included.

Employee Eligibility Date

If you are working for your employer in an eligible class, the date you are eligible for coverage is the latest of the following dates:

1. the policy effective date;
2. the day after you complete any waiting period shown in the Schedule of Insurance by continuous service with the employer, the policyholder, or an associated company;
3. the date the policy is changed to include your class; or
4. the date you become a member of a class eligible for insurance.

If you do not apply for voluntary coverage when you are first eligible, you will again be eligible on the first Annual Enrollment Date as shown in the Schedule of Insurance which immediately follows the date noted in items 2, 3, or 4 above.

Effective Date of Employee Insurance

You must use forms approved by us when applying for insurance.

For Benefit Amounts Not Requiring Evidence of Insurability:

1. When your Employer pays 100% of the cost of your coverage under the policy, you will be covered at 12:01 a.m. at your employer's address on your eligibility date.
2. When you and your Employer share the cost of your coverage under the policy or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. at your employer's address on the latest of the following dates:
 - a. on your eligibility date, if you enroll for insurance within 31 days after the date you first become eligible for coverage; or
 - b. on the first day of the policy month following the date we approve your application if you do not apply for insurance within 31 days after your eligibility date; or
 - c. for voluntary coverage only, on the Annual Enrollment Date as shown in the Schedule of Insurance if you enroll during the annual enrollment period. If you do not apply for voluntary coverage during the first annual enrollment period following your eligibility date, you will be required to submit satisfactory evidence of insurability.

For Benefit Amounts Requiring Satisfactory Evidence of Insurability, your coverage will be effective on the first day of the policy month following the date we approve your application.

Delayed Effective Date

If you are not actively at work on the date your insurance or any increase in insurance is scheduled to take effect, it will take effect on the day you return to active work. If your insurance is scheduled to take effect on a non-working day, your active work status will be based on the last working day before the scheduled effective date of your insurance.

Changes in Coverage Provisions

When Coverage Amounts Change (Redetermination Date)

The policy redetermines your amount of insurance on the first of the policy month after a change occurs. If benefits are based on your salary, the policyholder must report updates to all covered person's earnings as they occur. Changes to a covered person's earnings are subject to any proof of insurability requirements of the policy. As of the policy's redetermination date, we use a covered person's salary or earnings on record with us to: (a) set rates; (b) set benefit amounts and limits; and (c) calculate premium payable under the policy.

Delayed Effective Date of Change

You must be actively at work on a full-time basis on the redetermination date. If you are not, your coverage amount will not change until the date you return to active work on a full-time basis. Changes in salary or earnings will not apply to a recurring disability.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

Changes to the Policy

Any increase or decrease in coverage because of a change in the plan of insurance will become effective on the date of the change. The Delayed Effective Date provision and the Pre-existing Condition Exclusion provision will apply to an increase.

Termination Provisions

Termination of Employee Insurance

Your insurance will terminate at 12:00 midnight on the earliest of the following dates:

1. the last day of the period for which a premium payment is made, if the next payment is not made;
2. the date the policy terminates, or the date a specified benefit terminates;
3. the date you cease to be a member of a class eligible for insurance;
4. the date you cease to be actively at work;
5. if your coverage is continued under the Waiver of Premium provision, the date specified under "Termination of the Extended Insurance Benefit."

Continuation of Insurance

If you are unable to perform active work for a reason shown below, the policyholder may continue your insurance, except for any Accidental Death and Dismemberment coverage, on a premium-paying basis provided you remain in other respects a member of an eligible class. The continuance cannot be more than the maximum continuance shown below. The employer must act so as not to discriminate unfairly among employees in similar situations.

The maximum continuance for insurance is the longest applicable period described below:

1. three months following the date active work stopped due to lay-off or approved leave of absence, or
2. twelve months following the date active work stopped due to your total disability.

Total Disability for Continuation of Insurance means that you are under the regular care of a physician, and prevented by injury or sickness from performing all of the material duties of your regular occupation.

Claim Provisions

Notice of Loss

Written notice of claim must be given to us at our Home Office within 30 days after a loss occurs or begins, or as soon after the loss as is reasonably possible to do so, but not later than one (1) year from the time notice is required. The notice should identify the covered person and the nature of the loss.

Within 15 days after the date of your notice, we will send you claim forms. The forms must be completed and sent to our Home Office. If you do not receive the claim forms within 15 days, we will accept a written description of the exact nature and extent of the loss.

Proof of Loss

For any loss for which the policy provides periodic payment contingent upon continuing loss, written proof of loss must be given to us within 90 days after the termination of the period for which we are liable. For any other loss covered by the policy, written proof of loss must be given to us within 90 days after the date of such loss. Failure to furnish proof within such time shall not invalidate nor reduce any claim if it was not reasonably possible to furnish proof within such time. Such proof must be furnished as soon as reasonably possible, and in no event, except in the absence of legal capacity of the claimant, later than one (1) year from the time proof was otherwise required.

Physical Examination and Autopsy

We have the right to have a physician of our choice examine the covered person as often as necessary while the claim is pending. We may also have an autopsy made in case of death, unless not allowed by law. We will pay the cost of the exam and autopsy.

Payment of Claims

All benefits payable under this policy will be payable immediately upon receipt of due written proof of such loss.

When we receive proof of disability, Short Term Disability benefits payable under the policy will be paid during any period for which we are liable. Any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

If included, Short Term Disability benefits will be paid to you.

Authority

The policyholder delegates to us and agrees that we have the sole discretionary authority to determine eligibility for participation or benefits and to interpret the terms of the policy.

We decide: (a) if a covered person is eligible for this insurance; (b) if a covered person meets the requirements for benefits to be paid; and (c) what benefits are to be paid by the policy. We also interpret how the policy is to be administered. What we pay and the terms for payment are explained in this certificate.

Right of Reimbursement

The plan shall have right to reimbursement of any accidental dismemberment or short term disability benefits that you receive from the plan for illness or injury caused by a third party. You agree to reimburse the plan 100% for any and all benefits provided through the plan from any and all amounts recovered by or on your behalf from or on behalf of the responsible third party

through mediation, arbitration, judgment, suit, or other action (an "Action"), or settlement from your own insurance and/or from the third party (or their insurance) (a "Settlement").

The plan may notify those parties of its right of reimbursement without notice to or consent from any covered person.

This priority right of reimbursement will not be reduced by attorney fees and costs you incur.

The plan may enforce its rights of subrogation and recovery against, without limitation, any tortfeasors, other responsible third parties or against available disability insurance coverages. Such actions may be based in tort, contract or other cause of action to the fullest extent permitted by law.

Notice and Cooperation

You are required to notify us promptly if you initiate an Action against and/or are offered a Settlement by a responsible third party for illness or injuries caused by the third party after receiving benefits from the plan for such illness or injury to enable us to protect the plan's rights under this section. You are also required to cooperate with us and to execute any documents that we deem necessary to protect the plan's rights under this section.

You shall not do anything to hinder, delay, impede or jeopardize the plan's right of reimbursement. Failure to cooperate or to comply with this provision shall entitle the plan to withhold any and all benefits due you under the plan. This is in addition to any and all other rights that the plan has pursuant to the provisions of the plan's right of reimbursement.

Legal Action and Costs

If a covered person settles any claim or action against any third party without our consent, that covered person shall be deemed to have been made whole by the settlement and the plan shall be entitled to collect the present value of its rights from the settlement fund immediately. The covered person shall hold any such proceeds of settlement or judgment in trust for the benefit of the plan. If the plan has to file suit, or otherwise litigate to enforce its right of reimbursement or collect the proceeds of a settlement or judgment, you are responsible for paying any and all costs, including attorneys' fees, the plan incurs in addition to the amounts it is entitled to recover through its right of reimbursement.

Alternate Dispute Resolution Procedures

This dispute resolution procedure ("procedure") is intended to provide a fair, quick and inexpensive method of resolving any and all disputes with us. Such disputes include any matters that cause you to be dissatisfied with any aspect of your relationship with us, including any claim, controversy, or potential cause of action you may have against us. Please contact the Dispute Resolution office at (800) 648-0271 if you have any questions about this section of the certificate or to begin the dispute resolution process.

The following terms are applicable to all disputes:

1. This procedure is the exclusive method of resolving any disputes.
2. The procedure can only resolve disputes that are subject to our control.
3. This procedure will be governed by the Employee Retirement Income Security Act of 1974 ("ERISA"); Rules and Regulations for Administration and Enforcement; Claims Procedure (the "Claims Regulation"). That includes the definition of an adverse benefit determination, which is defined as any denial, reduction, termination or failure to provide or make payment for what you believe should be a covered benefit.
4. You may request a form from our Dispute Resolution office to authorize another person to act on your behalf concerning a dispute.

5. We may elect to skip one or more of the steps of this procedure if it is determined that step will not help to resolve the dispute.
6. Any dispute will be resolved in accordance with the terms of this certificate, applicable state or Federal laws and regulations.
7. You must begin the dispute process within 180 days from the date you receive notice of an adverse benefit determination. If you do not initiate the dispute process within that 180 day period, you give up the right to take any action based on that Dispute.

Description of the Procedure

Inquiry

You should contact our Dispute Resolution office to discuss and attempt to resolve any issues regarding a dispute. We hope that this informal process will resolve your questions or concerns.

Appeals

If you are not satisfied with the response to your inquiry, you may submit a written request (an "appeal") to the Office of the Appeals Coordinator, USABLE Life, P.O. Box 1650, Little Rock, AR 72203-1650, asking that we reconsider an adverse benefit determination. Please contact the Dispute Resolution office if you have any questions about how to submit an appeal to us. You are not required to use a specific form, but you may request that the Dispute Resolution office send you a blank appeal form to ensure that you provide the information that will be needed to review your appeal.

We will assign a coordinator to review your appeal. The appeal coordinator is an individual with appropriate expertise who is neither the individual who made the adverse benefit determination, nor a subordinate of that individual.

The appeal coordinator may request that you submit additional information concerning your grievance. The appeal coordinator will also consider information submitted by others, including information requested from other USABLE Life representatives. The appeal coordinator will have full discretionary authority to make eligibility, benefit or claim determinations and construe the terms of the policy. Such determinations shall be subject to the review standards applicable to ERISA plans, even if the policy is not governed by ERISA.

We will make a decision within 60 days after receiving your appeal concerning a claim determination.

The appeal coordinator will send you a written decision concerning your appeal. The appeal coordinator's decision will include: a statement of the coordinator's understanding of your appeal; a statement explaining the basis of the decision; and a list of the documents or information upon which that decision was based. We will send you a copy of the listed documents, without charge, if you make a written request for such documents.

Binding Arbitration

If you are still not satisfied after completing the appeal procedure, you have the right to bring a civil action against us to obtain the remedies available pursuant to Sec. 502(a) of ERISA (an "ERISA Action") after completing the mandatory appeal process. Those ERISA remedies will apply to this policy even if your plan is not otherwise governed by ERISA.

You may request that the dispute be submitted for resolution by binding arbitration. That arbitration request must be submitted, in writing, to USABLE Life's General Counsel within sixty (60) days after you receive the appeal coordinator's decision.

The dispute will be submitted to arbitration in accordance with the rules of the American Arbitration Association, unless we both agree to use an alternative dispute resolution

administrator or procedure. We will pay the filing fee charged by the administrator and the arbitrator. You will be solely responsible for any other costs that you incur to participate in the arbitration process, including your attorney's fees. The filing fee and arbitrator's fees may be reallocated as part of an arbitration award, in whole or in part, at the discretion of the arbitrator.

The arbitration will be conducted in a location where it is reasonably convenient for you to participate. If we can not agree concerning a convenient location, the administrator or arbitrator, if appointed, shall have the discretion to decide where the arbitration will be conducted.

The arbitrator: (a) shall consider the dispute individually and shall not certify or consider multiple disputes as part of a class action; (b) shall be required to issue a reasoned written decision explaining the basis of his or her decision and the manner of calculating any award; (c) may not vary or disregard the terms of the policy; and (d) shall be bound by controlling law when issuing a decision concerning the dispute.

The arbitrator shall limit discovery to the extent possible consistent with the objective of completing the arbitration in a fair, prompt, and cost effective manner. Emergency relief such as injunctive relief may be awarded by the arbitrator. The arbitrators' award, order or judgment shall be final and binding upon the parties. That decision may be entered and enforced in any state or federal court of competent jurisdiction. That arbitration award may only be modified, corrected, or vacated for the reasons set forth in the United States Arbitration Act (9 USC § 1).

General Provisions

Entire Contract

This certificate is furnished in accordance with and subject to the terms of the policy. The entire contract consists of the policy, which includes the application, any amendments and addenda; this certificate; your enrollment form, if required; and any riders or endorsements. No change in the policy will be effective until approved by one of our officers. This approval can only be in writing and must be noted on or attached to the policy. No agent has authority to change the policy or certificate or to waive any of their provisions.

Any statement made by you or the policyholder is considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to you.

Errors

An error in keeping records will not cancel insurance that should continue nor continue insurance that should end. We will adjust the premium, if necessary. If the premium was overpaid, we will refund the difference. If the premium was underpaid, the difference must be paid to us.

Misstatements

If any information about you or the policyholder's plan is misstated or altered after the application is submitted, including information with respect to participation or who pays the premium and under what circumstances, the facts will determine whether insurance is in effect and in what amount. We will retroactively adjust the premium.

Incontestability

Unless the premiums have not been paid, the validity of the policy cannot be contested after it has been in force for two years.

Any statement made by the policyholder or a covered person will be considered a representation. It is not considered a warranty or guarantee. A statement will not be used in a dispute unless it is written and signed, and a copy is given to the covered person or the beneficiary.

No statement, except fraudulent misstatement, made by a covered person about insurability will be used to deny a claim for a loss incurred or disability starting after coverage has been in effect for two years.

No claim for loss starting two or more years after the covered person's effective date may be reduced or denied because a disease or physical condition existed before the person's effective date, unless the condition was specifically excluded by a provision in effect on the date of loss.

Agency

Neither the policyholder, any employer, any associated company, nor any administrator appointed by the foregoing is our agent. We are not liable for any of their acts or omissions.

Unpaid Premium

We may deduct any unpaid premium then due from the payment of a claim under this certificate.

Refund of Premium

On the death of the covered person, proceeds payable hereunder shall include the amount of unearned premium paid beyond the end of the policy month in which death occurred. Payment shall be made in one lump sum no later than 30 days after proof of the covered person's death has been furnished to us.

Conformity with State Statutes

If the provisions of this certificate do not conform with the laws of the state in which you reside on the certificate effective date, they are hereby amended to conform with the minimum requirements of the statutes of that state.

Policy Management

Efficient management of the policy requires the joint efforts of the policyholder, USAble Life, and each covered person. Each party has certain duties to bring about the effective administration of the policy.

Duties of the Policyholder: The policyholder's primary duties under the policy are listed below.

1. Give us prompt, written notice of any change in business of the policyholder and employer. This includes, but is not limited to: (a) the type of business; (b) addition or deletion of an associated company; or (c) financial status due to bankruptcy; merger; acquisition; or dissolution.
2. Give us pertinent records for all covered persons. This includes, but is not limited to: (a) hire dates; (b) eligibility dates; (c) salaries; (d) occupations; and (e) birth dates. Give us updates of such records as needed.
3. Give us prompt notice of a covered person's disability. This notice should be given as soon as possible after the date of injury or start of sickness. The most effective time for such notice is when the covered person has not been able to perform active work for 30 days.
4. Give us occupational data for all disabled covered persons. This includes, but is not limited to: (a) job descriptions and analyses; and (b) environmental factors.

Duties of Covered Persons and Beneficiaries: Your and your beneficiary's primary duties under the policy are listed below:

1. Give notice and proof of loss as soon as possible after the date of your injury or sickness, or the date of your death, or the death of a covered dependent, if applicable.
2. Give a complete account of the details of your injury or sickness or the death on a form approved by us.
3. Provide any other official documents to review the loss such as a certified death certificate, investigating officer's report, or medical records.
4. Allow release of medical and income data needed to adjudicate your claim.
5. Provide evidence of the regular care of a physician, if necessary.
6. Promptly report to us any changes in your status such as your address or telephone number, or if you return to work or are no longer disabled.
7. If benefits are overpaid, reimburse such overpayment within 60 days of the date benefits were overpaid.
8. Provide proof of your earnings for the period prior to a loss.

Fraud

It is unlawful to knowingly provide false, incomplete or misleading facts or information with the intent of defrauding us. An application for insurance or statement of claim containing any materially false or misleading information may lead to reduction, denial or termination of benefits or coverage under the policy and recovery of any amounts we have paid.

Voluntary Short Term Disability Insurance

Definitions

Date of Disability means the first day that you are under the regular care of a physician and meet the definition of disability as defined below.

Disability or Disabled means an injury or sickness that requires you to be under the regular care of a physician, and prevents you from performing one or more of the material duties of your regular occupation with reasonable accommodations, and as a result of which you are earning less than 80% of your covered weekly earnings.

If your professional or occupational license or your certification is suspended, revoked or surrendered, loss of your license or certification, by itself, does not mean you are disabled.

Elimination Period means the number of days during a period of disability that must pass before benefits are payable. No benefits are payable for the elimination period. You cannot satisfy any part of the elimination period with any period of non-covered disability. The elimination period is shown on the Schedule of Insurance and begins on the first day of your disability.

Reasonable Accommodation(s) means any modification(s) to the worksite, the job or employment practices, which would allow you to perform the material duties of the occupation and which would not create an undue hardship for the employer.

Regular Occupation means the occupation in which you were working immediately prior to becoming disabled.

Weekly Earnings means your normal weekly rate of pay in effect on the day before you became disabled, excluding any overtime pay, bonuses, or any other extra pay. If your pay is from commissions, the weekly earnings will be based on your average commissions for the prior 12 months.

Weekly Benefit

We will pay the weekly benefit as determined in the Weekly Benefit Calculations provision, if you become disabled while insured and are under the regular care of a physician due to sickness or injury. We will begin payment on the day following completion of the elimination period as shown in the Schedule of Insurance. The weekly payments will continue as long as you remain disabled, up to the Maximum Benefit Period shown in the Schedule of Insurance.

If you are disabled for only part of a week, your weekly payment from us is pro-rated, and you will receive a payment equal to 1/7 of a full weekly payment for each day of the week you are disabled.

Successive periods of disability will be considered as one continuous period of disability if they:

1. resulted from, or are contributed to by, the same or related causes; and
2. are not separated by your return to full-time, active work for at least the number of days equal to two of your normal work weeks.

Disabilities due to accidental injuries under the Short Term Disability benefit means the covered accident must occur while you are insured under this benefit, and the disability must begin within 30 days of the date of the accident. If the disability begins after 30 days, it will be considered a sickness.

Weekly Benefit Calculations

Your Weekly Benefit If You Are Disabled and Not Working, or You Are Disabled and Working but Earning Less Than 20% of Your Covered Weekly Earnings

Your weekly benefit will be determined by using the following steps:

Step 1: The weekly benefit amount you selected is shown on your Enrollment Form. This is your weekly benefit.

Your Weekly Benefit If You Are Disabled and Working, Earning Between 20% and 80% of Your Covered Weekly Earnings

Your weekly benefit will be determined by using the following steps:

Step 1: The weekly benefit amount you selected is shown on your Enrollment Form. This is your gross weekly benefit.

Step 2: Add to the gross weekly benefit the amount of any income you earn or receive from any form of employment.

Step 3: If the total from Step 2 exceeds 100% of your covered weekly earnings, subtract the amount over 100% from the gross weekly benefit. This is your weekly benefit.

If the total from Step 2 does not exceed 100% of your covered weekly earnings, your benefit will not be reduced and your weekly benefit will be as determined in Step 2.

Your loss of earnings must be as a result of or due to the same sickness or injury from which you are disabled.

If You Are Disabled and Working, Earning More Than 80% of Your Covered Weekly Earnings, you are not eligible for a weekly benefit and no benefit will be paid.

Waiver of Premium Benefit

If a covered disability for which weekly benefits are payable has continued for 90 consecutive days, future payments will be waived as they fall due as long as benefits are payable. Premiums will not be waived beyond the Maximum Benefit Period. If coverage is to be continued, premium payments must be resumed following the period for which they were waived.

Termination of Benefit Payments

We will terminate benefit payments on the earliest of the following:

1. the date you are no longer disabled as defined; or
2. the date you fail to furnish Proof of Loss, when requested by us; or
3. the date you are no longer under the regular care of a physician, or refuse our request that you submit to an examination by a physician; or
4. the date you die; or
5. the date you are earning more than 80% of your pre-disability earnings; or
6. the date determined by the Maximum Benefit Period shown in the Schedule of Insurance.

Extension of Benefit Payments

If you are entitled to benefits while disabled and the policy terminates, benefits:

1. will continue as long as you remain disabled by the same disability; but
2. will not be provided beyond the date we would have ceased to pay benefits had the insurance remained in force.

Termination of the policy for any reason will have no effect on our liability under this provision.

Pre-Existing Condition Exclusion

Benefits will not be paid if your disability begins in the first 12 months following the effective date of your coverage and your disability is caused by, contributed to by, or the result of a pre-existing condition.

Pre-Existing Condition means any condition for which you have done any of the following at any time during the 12 months just prior to your effective date of coverage:

1. received medical treatment or consultation;
2. taken or were prescribed drugs or medicine; or
3. received care or services, including diagnostic measures,

whether or not that condition is diagnosed at all or is misdiagnosed during that period of time.

Exclusions

We will not pay benefits for any disability caused by:

1. war or any act of war, or while serving in the armed forces of any country or international authority;
2. attempted suicide or intentional self-inflicted injury, while sane or insane;
3. your active participation in a riot or insurrection;
4. your voluntary commission of, or attempting to commit, an assault or felony; or participating in an illegal occupation;
5. injury arising out of or in the course of any occupation or employment for pay or profit, or any injury or sickness for which you are entitled to benefits under any Worker's Compensation Law, Employer's Liability Law or similar law;
6. your voluntary use of any drug, hallucinogen, controlled substance, or narcotic unless taken as prescribed by a physician;
7. injury occurring while intoxicated;
8. alcoholism or drug addiction;
9. elective or cosmetic surgery, except for surgery to repair damage to the natural body caused by an injury or treatment of a sickness; or
10. your acting as an organ donor.

No benefits are payable for any period of disability during which you are incarcerated in a penal or correctional facility for a period of 30 or more consecutive days.

Intoxicated means that you were under the influence of alcohol as determined by the laws of the jurisdiction in which the accident occurred. Conviction is not necessary for a determination of being intoxicated.

Participation in a riot shall include promoting, inciting, conspiring to promote or incite, aiding, abetting, and all forms of taking part in, but shall not include actions taken in defense of public or private property, or actions taken in your own defense, if such actions of defense are not taken against persons seeking to maintain or restore law and order including but not limited to police officers and firemen.

Riot shall include all forms of public violence, disorder, or disturbance of the public peace, by three or more persons assembled together; whether or not acting with common intent and whether or not damage to persons or property or unlawful act or acts is the intent or the consequence of such disorder.

War means declared or undeclared war or a conflict involving the armed forces of any country, group of countries, governments, or international organization.

Continuity of Coverage

If you were insured by the prior group insurance plan for short term disability benefits just before you became eligible for coverage under this plan; and you are in active employment; and you are insured under this plan, then you may be eligible for payments from us under this plan if your disability is due to a pre-existing condition.

In order to receive payments from us, you must satisfy the pre-existing condition exclusion of:

1. this plan; or
2. the prior group insurance plan, had the plan stayed in effect.

We will consider the total amount of time you were continuously insured under both the prior group insurance plan and this plan to determine if you satisfy the pre-existing condition exclusion. If you cannot satisfy the pre-existing condition exclusion of either plan then we will not pay you a disability benefit.

We will determine our payment to you using the provisions of this plan with respect to eligibility, elimination period, benefit amount and maximum benefit duration, but your weekly payment will not be more than the maximum weekly payment of the prior group insurance plan. Your weekly payments will end on the earlier of the following dates:

1. the end of the maximum payment duration under this plan; or
2. the date benefits would have ended under the prior group insurance plan if the plan had stayed in effect.
