ADDENDUM NO. 1

DATE: August 29, 2019
TO: All Potential Bidders
FROM: Taylor Tomblin, Purchasing Officer
SUBJECT: Addendum No. 1 – Rotation of the Springfield High School Soccer Field
BID NO: 1426

BIDS TO BE OPENED: September 6, 2019, at 10:00 a.m. Central Time

This addendum becomes a part of the Contract Documents and modifies the original specifications as noted.

Changes to the Contract Documents & Specifications:

As per the Engineer's instructions during the Pre-Bid meeting held August 29, 2019 at 9:00 AM, a construction access road is needed to move equipment and material to the construction site. The access drive would need to be approximately 480' feet long and minimum 12' wide. Topsoil shall be stripped and the subgrade verified to be adequate for vehicular traffic by proof rolling. The drive shall be comprised of 8" compacted crushed stone. The access road will run beside the football practice field, vendors are NOT to get on the football practice field. The other side of the field is the backside of the baseball field. That is a large hill side that will not be touched. This road will be left for future use.

The access road should be presented as a separate cost line item in the bid package. The Bid Sheet attached replaces the one in the original bid package.

If you have any additional questions in regards to specifications of the access road please contact Josh Lyons at Klobner Engineering at (615)382-2000.

There will be a **mandatory** pre-bid conference held at the site on Thursday, August 29th at 9:00 a.m. CST at the Springfield High soccer field located at 5240 HWY 76E, Springfield, TN 37172. Bidders that do not attend this conference will not be considered for the work.

For any questions concerning these specifications contact Pat Brown at (615)384-5588 or by e-mail at pat.brown@rcstn.net.
